INFORMATION SHEET

EXTRA

HIGH ALKALINE CLEANER

DESCRIPTION:

EXTRA is a heavy duty, highly alkaline unscented liquid cleaner designed for floor cleaning and for the removal of grease, baked on carbon and heat modified soils from ovens, grills, hoods and fryers. It is safe to use on porcelain, enamel, stainless steel, nickel, chrome, glass and iron surfaces.

WHERE TO USE:

EXTRA is an ideal product for use in catering areas, restaurants, hotels, homes, institutions, hospitals, industrial areas and kitchens.

NOTE: **EXTRA** should not be used on painted surfaces, aluminium, tin, copper, or galvanised materials.

RECOMMENDED USE:

FLOOR CLEANING: Dilute up to 1:160 with warm to hot water.

Use approximately 6 mls of **EXTRA** per litre of water (60mls per standard bucket). Apply by mop or swab. Rinse thoroughly after use. Heavy soiled floors may require stronger dilutions. As an alternative to cleaning tile grout use **TORNADO** acid cleaner. Never mix ACIDS & ALKALIES.

OVEN & GRILL CLEANING:

EXTRA is best used as supplied. For best results the oven should be preheated to approximately 70 degrees, turned off and **EXTRA** poured on undiluted. After letting stand on the surface for 5-10 minutes the surface should be wiped clean with a damp cloth and finally rinsed with water or a weak vinegar/water solution. After completion of the cleaning procedure, it is advisable to heat the oven for 10 minutes with the door slightly open. Heavily carbonised areas may require two applications on first cleaning. Grills, hoods or fryers may be similarly cleaned by applying with **EXTRA** undiluted. The use of a scouring pad will naturally speed up the cleaning process.

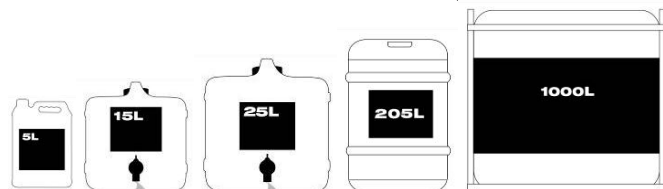

SAFETY PRECAUTIONS:

WARNING: CORROSIVE - Avoid contact with skin and eyes.

FIRST AID: If swallowed, DO NOT induce vomiting. Give water to drink and seek medical attention. If in eyes, flush with water for at least 15 minutes and get medical attention. If skin contact occurs, remove contaminated clothing and wash skin thoroughly.

PACKAGING:

EXTRA is available in the following pack sizes

CONDITIONS OF SALE & USAGE (STANDARD DISCLAIMER)

This product should not be used for any purpose or in any manner contrary to the labelling, SDS, MSDS or Information Sheet unless authorised to do so under appropriate legislation. By purchasing and using this product the purchaser assumes responsibility for any and all results that may occur and shall not hold the manufacturer liable for any loss or injury however occurring.

BENEFITS & TIPS

- SUPER STRONG FORMULA
- FOOD AREA SAFE & UNSCENTED
- CLEANS MOST HEAVILY SOILED AREAS SUCH AS GRILLS, COOK TOPS AND FLOORS.
- EXCELLENT FOR PRESSURE CLEANING MACHINES (USE ANTIFOAM)
- EXTRA IS A DG. USE **ECOBREAK** FOR NON-DG, NON CAUSTIC ALTERNATIVE (TRADE OFF IN PERFORMANCE)
