INFORMATION SHEET **HERCULES**

HIGH FOAMING HEAVY DUTY LIQUID CLEANER

DESCRIPTION

HERCULES is a heavy duty alkaline detergent formulated for quick and easy removal of animal fats, starches, pertinacious soils, dirt, grime, grease and oils from floors, walls and equipment in food processing areas. The surfactants incorporated in this product are biodegradable to Australian Standards.

When used as recommended, **HERCULES** is safe to use on aluminium and other soft metals, as well as mild steel, stainless steel and some painted surfaces.

WHERE TO USE:

HERCULES is ideal for use on food processing equipment, also maintenance cleaning of floors, walls and ceilings. It is a complete product for foam or manual cleaning in abattoirs, small goods factories, breweries, dairy factories, butcher shops, etc. and wherever heavy contamination is present.

RECOMMENDED USE:

HERCULES may be applied via a spray bottle, foam gun, pressure cleaning and steam cleaning units, or via cloth, sponge, brush, mop or soak method.

HERCULES may be used at dilutions ranging from 1:20 for extra heavy deposits and spot cleaning, to 1:160 for light duty cleaning. Water should be warm to hot.

For soak cleaning, immerse equipment in the solution, scrub with brush and rinse. Use a spray gun for spot cleaning or mop and bucket for floor cleaning. Always follow with a clean water rinse.

Gloves should be worn when applying **HERCULES**, manually.

PACKAGING:

HERCULES is available in 5, 15, 25 and 205 litre drums.

CONDITIONS OF SALE & USAGE (STANDARD DISCLAIMER)

This product should not be used for any purpose or in any manner contrary to the labelling, SDS, MSDS or Information Sheet unless authorised to do so under appropriate legislation. By purchasing and using this product the purchaser assumes responsibility for any and all results that may occur and shall not hold the manufacturer liable for any loss or injury however occurring.
