INFORMATION SHEET

MARAZYME- DESCALER

BIOLOGICAL POWDER FOR TOILET SYSTEMS

DESCRIPTION

MARAZYME- DESCALER is a mild acidic based powder formulated with enzymes and bacterial strains to effectively dissolve organic materials, hard water precipitates and uric acid scales.

MARAZYME- DESCALER is designed to attack and remove these deposits and will also assist the Able Westchem product **MARAZYME** - to digest greases, fats and oils commonly found in toilet systems. Drains, pipe work and grease traps are left clean and effective after using the product on a regular basis.

DESCALING APPLICATION RECOMMENDATIONS:

TOILETS: For regular scale control add 50 grams (one scoop supplied with 5KG bucket) to the toilet bowl at least once a week depending on water quality. Allow product to dissolve and stand for a minute or two, scrub / brush the bowl and then flush with water. Repeat this action if required.

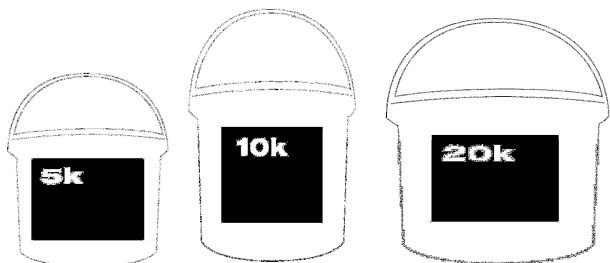

URINALS: Sprinkle product around the grate and effected areas, allow dissolving then scrubbing / brushing and flushing with water.

DRAINS, PIPE WORK & GREASE TRAPS: If scale formation in these locations occur you may find run off / discharge from toilets, sinks and showers become very slow. Add 100-150grams of product to the effected locations and allow dissolving. Contact time is important so leave stand for a minute or two before scrubbing / brushing and then flushing with water.

WASHROOMS AND SHOWERS: Add 50-100grams of product to a 10 litre container of hot water. Allow to dissolve and use the solution to scrub the effected surface areas then rinse with water.

STANDARD PACKAGING:

3 x 5kg pales per box, 10kg pales, & 20kg pales.

CONDITIONS OF SALE & USAGE (STANDARD DISCLAIMER)

This product should not be used for any purpose or in any manner contrary to the labelling, SDS, MSDS or Information Sheet unless authorised to do so under appropriate legislation. By purchasing and using this product the purchaser assumes responsibility for any and all results that may occur and shall not hold the manufacturer liable for any loss or injury however occurring.

BENEFITS & TIPS

- GREEN PRODUCT
- BIOLOGICAL
- REMOVES URIC ACID
- DIGESTS GREASES
- DESCALES TOILETS
- DESCALES DRAINS
- DESCALES SHOWERS
- SAFE TO USE
- SEPTIC SAFE
- MARINE & MINING
