## INFORMATION SHEET

# MARINER

## HEAVY DUTY CLEANER/DEGREASER/DISINFECTANT

**MARINER** is a premium quality industrial grade product unequalled in cleaning and disinfecting efficiency. It emulsifies grease and oils spontaneously, even in very hard water or seawater.

**MARINER** is a very useful product for the **MARINE INDUSTRY**.

**MARINER** disinfects while it cleans - it kills bacteria instantly and inhibits algae growth.

**MARINER** meets the Australian Commonwealth Department of Primary Industry as a sanitizer/detergent for use in Food & Industrial establishments.

### WHERE TO USE:

**MARINER** has been specially formulated for heavy duty cleaning and degreasing in the maritime, food processing and industrial area. It is recommended for cleaning and sanitising rigs, ships, vessels, bilges concrete slipways, food processing and abattoir equipment, weathered aluminium truck bodies, engine and equipment degreasing.

**MARINER** is suitable for use with all types of mechanical cleaning and spraying equipment.

### HOW TO USE:

Generally for cleaning manually or via pressure washers, steam cleaners, soak tank ultrasonic's, or automatic scrubbers, dilute **MARINER** 1:10 to 1:50 in water, as required.

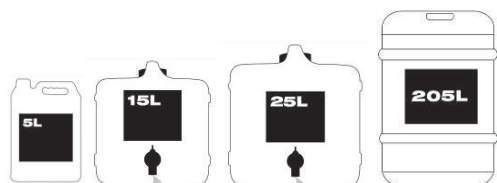

For normal cleaning, 1 part of **MARINER** to 50 parts water is recommended. When used in food establishments, rinse away all residues with potable water. When used on painted surfaces do a small test patch first.

### CAUTION:

**MARINER** is alkaline, and proper precautions should be taken with its use. The wearing of protective gloves, goggles, etc, is recommended. Avoid inhalation of spray if protective masks are not worn.

### PACKAGING:

**MARINER** is available in 5, 15, 25 and 205lt containers.
