INFORMATION SHEET

PREDATOR

LIQUID CLEANER HEAVY DUTY

DESCRIPTION

PREDATOR is a heavy duty alkaline detergent formulated for quick and easy removal of animal fats, starches, pertinacious soils, dirt, grime, grease and oils from floors, walls, food processing equipment, heavy machinery, driveways and concrete.

When used as recommended, **PREDATOR** is safe to use on aluminium and other soft metals, as well as mild steel, stainless steel and some painted surfaces.

PREDATOR is also food safe.

WHERE TO USE

PREDATOR is ideal for use on heavy machinery, food processing equipment, also maintenance cleaning of floors, walls and ceilings. It is a complete product for foam or manual cleaning in abattoirs, small goods factories, breweries, dairy factories, butcher shops, etc. and wherever heavy contamination is present.

HOW TO USE

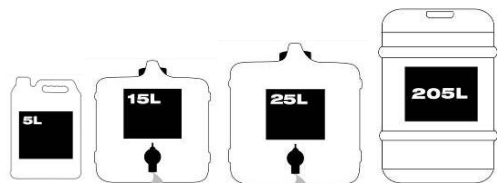

PREDATOR may be applied via a spray bottle, foam gun, pressure cleaning and steam cleaning units, or via cloth, sponge, brush, mop or soak method.

PREDATOR may be used at dilutions ranging from 1:20 for extra heavy deposits and spot cleaning, to 1:160 for light duty cleaning. Water should be warm to hot.

For soak cleaning, immerse equipment in the solution, scrub with brush and rinse. Use a spray gun for spot cleaning or mop and bucket for floor cleaning. Always follow with a clean water rinse. Gloves should be worn when applying **PREDATOR**, manually.

PACKAGING:

PREDATOR is available in 5, 15, 25 and 205 litre drums.
