INFORMATION SHEET

SUPA-CIT

ORANGE BASED HAND CLEANER WITH GRIT

DESCRIPTION:

SUPA-CIT is specially formulated for use in industrial workshops for cleaning heavy grease and grime from hands. SUPA-CIT quickly penetrates and removes soils from hands leaving the skin clean with a fresh citrus fragrance. SUPA-CIT is a blend of biodegradable detergents, natural oils and inert grit. SUPA-CIT does not contain harsh solvents which can damage the skin.

SUPA-CIT is pH neutral to minimise drying out of hands whilst added emollients will protect hands without making working hands overly soft.

DIRECTIONS:

Work SUPA-CIT into hands well to loosen soils. Rinse thoroughly under running water.

PACKAGING:

CONDITIONS OF SALE & USAGE (STANDARD DISCLAIMER)

This product should not be used for any purpose or in any manner contrary to the labelling, SDS, MSDS or Information Sheet unless authorised to do so under appropriate legislation. By purchasing and using this product the purchaser assumes responsibility for any and all results that may occur and shall not hold the manufacturer liable for any loss or injury however occurring.
