INFORMATION SHEET

AVALANCHE

LAUNDRY POWDER

DESCRIPTION:

AVALANCHE is a specially formulated "one shot" laundry detergent, which will perform all the functions necessary for safe, efficient washing of all fabrics.
Great all-rounder for the offshore industries.

AVALANCHE contains ingredients to effectively soften water, break up and disperse soils and prevent re-deposition onto the fabric. The mild bleaching agents and optical brighteners improve the appearance of the fabric and provide a brightening effect in both cold and hot water.

RECOMMENDED USE:

AVALANCHE is specially designed for use in all household and commercial washing machines.

It is safe to use on cotton, synthetics, whites and all coloureds. The use of **AVALANCHE** results in a soft wash due to its gentle action and excellent rinseability, making it safer on delicate fabrics.

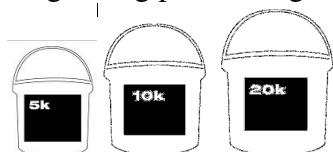

HOW TO USE:

The recommended use concentration of **AVALANCHE** is 40 grams per 5kg wash load for normal household use. In industrial laundries, use 350 grams of wash per 45kg wash.

AVALANCHE is suitable for hand washing in a basin, at normal use concentration in warm to hot water. The fabrics rinse freely in both cold and lukewarm water.

PACKAGING:

5 kg, 10 kg pales, 15kg box, 20 kg pale

CONDITIONS OF SALE & USAGE (STANDARD DISCLAIMER)

This product should not be used for any purpose or in any manner contrary to the labelling, SDS, MSDS or Information Sheet unless authorised to do so under appropriate legislation. By purchasing and using this product the purchaser assumes responsibility for any and all results that may occur and shall not hold the manufacturer liable for any loss or injury however occurring.

BENEFITS & TIPS

- HEAVY DUTY WASHING
- REMOVES GREASE
- REMOVES OIL SOILS
- HOT OR COLD WATER
- QUALITY BLEACH
- ECONOMICAL
- BIODEGRADABLE
- SEPTIC SAFE
