INFORMATION SHEET

TORNADO

BACTERICIDAL TOILET AND URINAL CLEANER

DESCRIPTION

TORNADO is an acidic detergent designed to thoroughly clean, disinfect and deodorise toilet bowls, floors and adjacent areas in a single operation. It efficiently removes lime and rust scale, uric encrustation, algae growth and other stains from under the toilet bowl rim and on urinal surfaces. **Tornado** is purposely made thin for efficient dispensing & mixing product into ready-to-use dilutions.

WHERE TO USE

TORNADO is safe to use on all stainless steel and concrete urinals. It is highly efficient for cleaning and deodorising toilet bowls, toilet seats and floors in toilets and adjacent areas. **TORNADO** can also be used for removing stains and encrustations from stainless steel and porcelain basins, baths and sinks.

RECOMMENDED USE

TOILET BOWLS:

Flush toilet, then pour 25-50ml of **TORNADO** inside the bowl. Using a toilet brush, swab all areas of the bowl with this solution, including beneath the rim and the seat. Finally flush the toilet, and dry the seat with a soft cloth or toilet tissue.

URINALS:

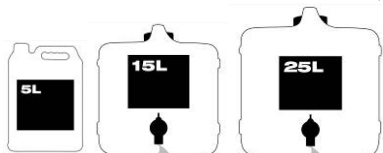

Squeeze or spray **TORNADO** onto the urinal surface and clean with a toilet brush. Flush generously.

SAFETY PRECAUTIONS

TORNADO is an acidic product and care should be exercised when using it. The use of rubber gloves is strongly recommended. If **TORNADO** is spilt on the skin or eyes wash with copious amounts of cold water.

PACKAGING

TORNADO is available in 5, 15 and 25 litre containers.

CONDITIONS OF SALE &

USAGE (STANDARD DISCLAIMER)

This product should not be used for any purpose or in any manner contrary to the labelling, SDS, MSDS or Information Sheet unless authorised to do so under appropriate legislation. By purchasing and using this product the purchaser assumes responsibility for any and all results that may occur and shall not hold the manufacturer liable for any loss or injury however occurring.

BENEFITS & TIPS

- DESCALES, CLEANS & DEODERISES
- MADE PURPOSLY THIN FOR EFFICIENT DISPENSING & DILUTION
- SAFE ON STAINLESS & CERAMICS
- CLEANS GROUT
- BIODEGRADABLE SURFACTANTS
