## INFORMATION SHEET

# TURBO

## HEAVY DUTY FLOOR CLEANING DETERGENT

### DESCRIPTION: AQIS APPROVED

**TURBO** is a concentrated low-foaming detergent specifically designed for use in floor scrubbing machines.

**TURBO** possesses exceptional cleaning power which enables it to cut through grease, dirt and grime easily. **TURBO** rinses cleanly with no residue.

### DIRECTIONS:

The normal recommended dilution rate is 20 ml of **TURBO** per litre of water (1:50). This concentration may be varied according to the degree of soiling and contamination: 10 ml per litre for light duty maintenance cleaning, up to 40 ml per litre for aged, ground-in soil.

Follow the instructions from the manufacturer of the floor scrubber for filling the detergent tank and operating the scrubber. Rinse surfaces thoroughly with clean water after use.

### SAFETY PRECAUTIONS:

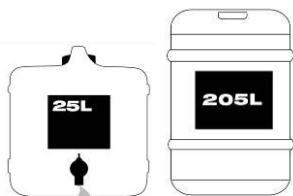

Warning - **TURBO** is strongly alkaline. Avoid contact with skin and eyes. Gloves and safety goggles should be worn when handling this product.

### FIRST AID:

If poisoning occurs, contact a Doctor or Poisons Information Centre. If swallowed, DO NOT induce vomiting. Give a glass of water. If skin contact occurs, remove contaminated clothing and wash skin thoroughly with water. If in eye, hold eye open, flood with water for at least 15 minutes and see a doctor.

### PACKAGING:

**TURBO** is available in 25 and 205 litre drums.

### CONDITIONS OF SALE &

#### USAGE (STANDARD DISCLAIMER)

This product should not be used for any purpose or in any manner contrary to the labelling, SDS, MSDS or Information Sheet unless authorised to do so under appropriate legislation. By purchasing and using this product the purchaser assumes responsibility for any and all results that may occur and shall not hold the manufacturer liable for any loss or injury however occurring.
